

HOW TO SEARCH BY COURSE DISTRIBUTION

Course distributions are groups of courses categorized by course content. Some requirements on your [Curriculum Sheet](#) direct you to choose courses with a specific distribution. This is common for Humanities or Additional Credit requirements, depending on your major.

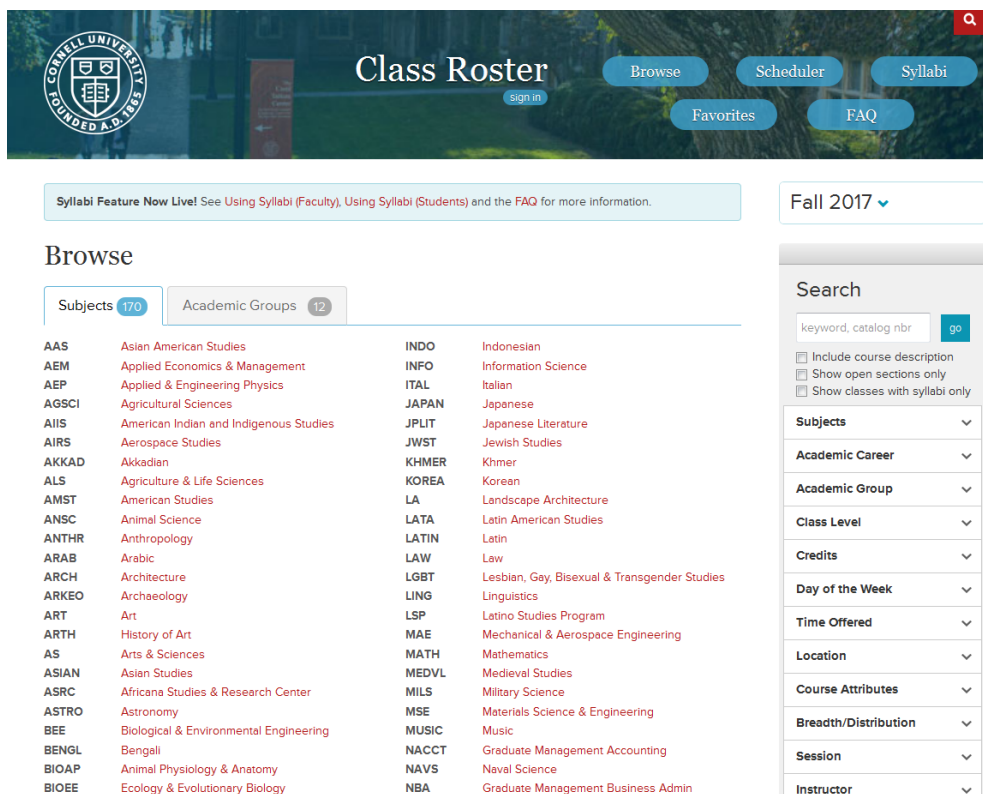

HOW TO READ A DISTRIBUTION CODE:

The first set of letters stand for the course content type. The second set of letters stand for the offering college. Your curriculum sheet will only refer to the course content type, the first set of letters. This means you can take any course with that distribution, in any college. A complete list of distribution codes can be found in the [Courses of Study](#).

Example: CA-HE → a cultural analysis course in The College of Human Ecology

HOW TO SEARCH FOR COURSES WITH A SPECIFIC DISTRIBUTION:

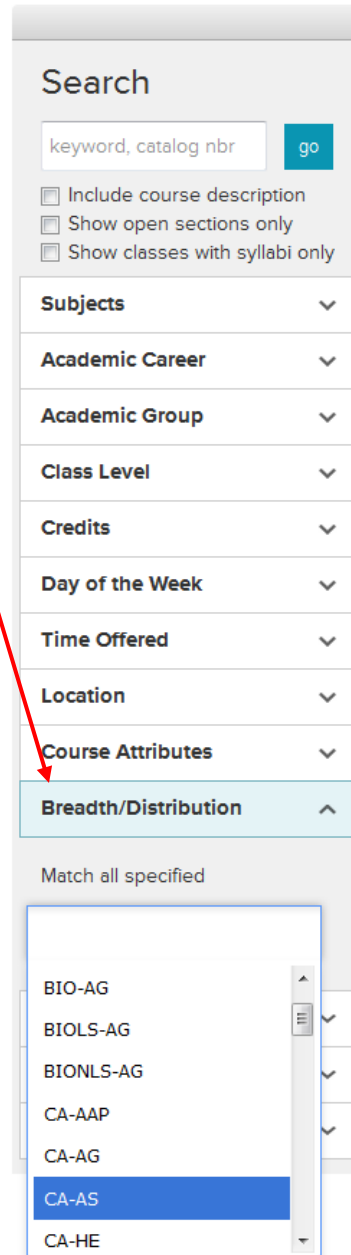

1. Go to the current [Class Roster](#)

The screenshot shows the Cornell University Class Roster website. At the top, there is a navigation bar with the Cornell University logo, the text "Class Roster", and buttons for "Browse", "Scheduler", "Syllabi", "Favorites", and "FAQ". Below the navigation bar, there is a banner for "Syllabi Feature Now Live!" with links to "Using Syllabi (Faculty)", "Using Syllabi (Students)", and "FAQ". To the right of the banner is a dropdown menu for "Fall 2017". Below the banner, there is a "Browse" section with two tabs: "Subjects" (170) and "Academic Groups" (12). The "Subjects" tab is active, and it displays a list of subjects in two columns. The subjects are listed with their abbreviations and full names. To the right of the subjects list is a "Search" section with a search bar, a "go" button, and several checkboxes for filtering results: "Include course description", "Show open sections only", and "Show classes with syllabi only". Below the search bar is a list of filters with dropdown arrows: "Subjects", "Academic Career", "Academic Group", "Class Level", "Credits", "Day of the Week", "Time Offered", "Location", "Course Attributes", "Breadth/Distribution", "Session", and "Instructor".

Subjects	Academic Groups
AAS	Asian American Studies
AEM	Applied Economics & Management
AEP	Applied & Engineering Physics
AGSCI	Agricultural Sciences
AIIS	American Indian and Indigenous Studies
AIRS	Aerospace Studies
AKKAD	Akkadian
ALS	Agriculture & Life Sciences
AMST	American Studies
ANSC	Animal Science
ANTHR	Anthropology
ARAB	Arabic
ARCH	Architecture
ARKEO	Archaeology
ART	Art
ARTH	History of Art
AS	Arts & Sciences
ASIAN	Asian Studies
ASRC	Africano Studies & Research Center
ASTRO	Astronomy
BEE	Biological & Environmental Engineering
BENGL	Bengali
BIOAP	Animal Physiology & Anatomy
BIOEE	Ecology & Evolutionary Biology
INDO	Indonesian
INFO	Information Science
ITAL	Italian
JAPAN	Japanese
JPLIT	Japanese Literature
JWST	Jewish Studies
KHMER	Khmer
KOREA	Korean
LA	Landscape Architecture
LATA	Latin American Studies
LATIN	Latin
LAW	Law
LGBT	Lesbian, Gay, Bisexual & Transgender Studies
LING	Linguistics
LSP	Latino Studies Program
MAE	Mechanical & Aerospace Engineering
MATH	Mathematics
MEDVL	Medieval Studies
MILS	Military Science
MSE	Materials Science & Engineering
MUSIC	Music
NACCT	Graduate Management Accounting
NAVS	Naval Science
NBA	Graduate Management Business Admin

2. Search by Breadth/Distribution on the right side of the window.
Place your cursor in the box for a dropdown list of all distributions. You can select “any” in the dropdown selection to search for multiple distributions/colleges at a time. You may select other search criteria, such as credit amount, time offered, or location, etc. However, more search criteria will reduce your search results.
3. Use [student center](#) to enroll and confirm that the course is applying toward the desired requirement on your [advisement report](#). If the course is not applying toward the desired requirement in your advisement report, or if you have any questions, please contact the College of Human Ecology, [Office of the Registrar](#).

The screenshot shows a 'Search' interface. At the top is a search bar with the placeholder text 'keyword, catalog nbr' and a 'go' button. Below the search bar are three checkboxes: 'Include course description', 'Show open sections only', and 'Show classes with syllabi only'. A list of search criteria is shown with dropdown arrows: 'Subjects', 'Academic Career', 'Academic Group', 'Class Level', 'Credits', 'Day of the Week', 'Time Offered', 'Location', 'Course Attributes', and 'Breadth/Distribution'. The 'Breadth/Distribution' dropdown is currently open, showing a list of options: 'BIO-AG', 'BIOLS-AG', 'BIONLS-AG', 'CA-AAP', 'CA-AG', 'CA-AS' (which is highlighted in blue), and 'CA-HE'. A red arrow points from the text in step 2 of the instructions to the 'Breadth/Distribution' dropdown menu.
